

#EDCAMP SA is coming to South Texas!

What is Edcamp?

Edcamp is a form of unconference designed specifically for teachers and their needs. Built on principles of connected and participatory learning, **Edcamp** strives to bring teachers together to talk about the things that matter most to them: their interests, passions, and questions.

Have you ever attended a conference where the schedule is designed by the participants in attendance? At #Edcamp SA, those in attendance will drive the PD for the day.

We would love to have you spend a morning with caring and forward thinking professionals from around the San Antonio area. Bring an open mind, your laptop and the desire to collaborate with professionals from South Texas. Start following the #edcamp SA hashtag for more information.
